PRODUCT FOCUS

High-quality industrial automation and engineering products sourced from trusted manufacturers

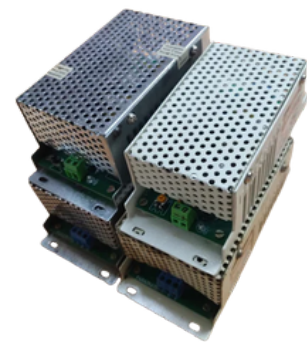

INDUSTRIAL AUTOMATION

- Proximity Sensors
- Ultrasonic Sensors
- Photoelectric Sensors
- Industrial Connectors
- Control Components
- Automation Accessories

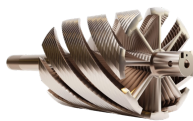

INDUSTRIAL ELECTRONICS

- Relays
- Power Supplies
- Interface Modules
- Signalling Components
- Electrical Control Accessories

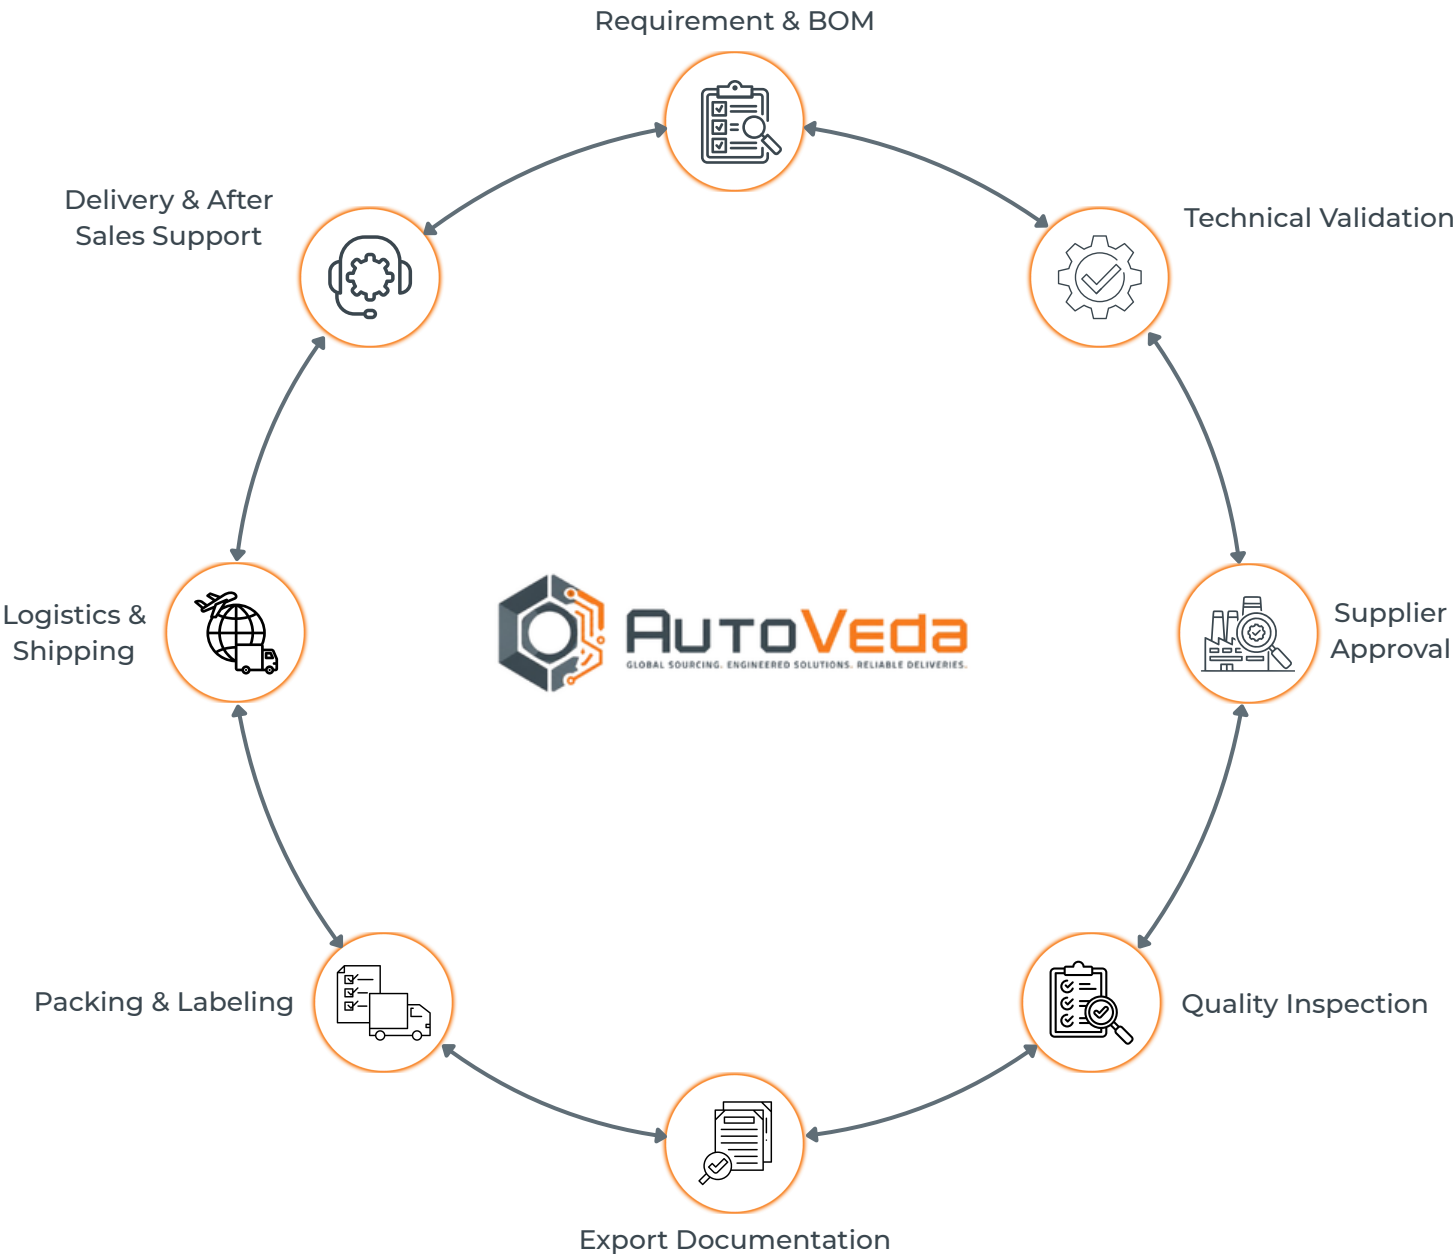

PRECISION ENGINEERING

- Machined Components
- Industrial Hardware
- OEM Sourcing Solutions
- Custom Procurement Projects

OUR EXPORT SOLUTION

End-to-end procurement and export execution tailored for international buyers

One Partner. Complete Confidence
From requirement to delivery. We handle it all.

QUALITY ASSURANCE

We ensure product quality and reliability through a robust verification process.

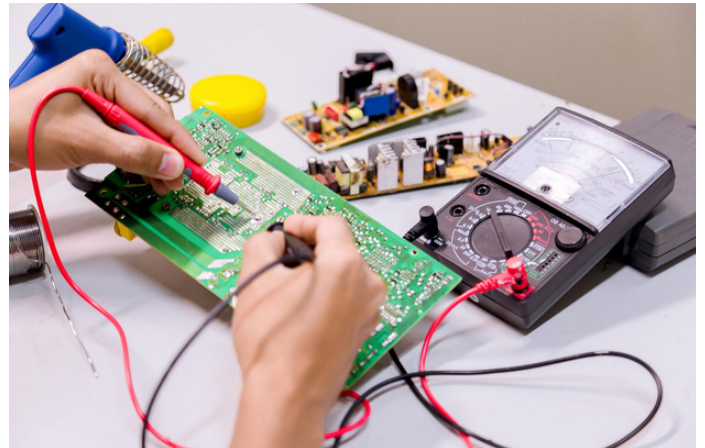

✓ **Supplier Evaluation**
Factory audit and capability assessment

✓ **Incoming Quality Check**
Material & component verification

✓ **In-Process Inspection**
Production monitoring and quality control

✓ **Pre-Shipment Inspection**
Final shipment before dispatch

✓ **Documentation & Traceability**
Certificates, test reports & batch traceability

Quality is not just checked
It is built into our processes

WHY PARTNER WITH AUTOVEDA GLOBAL?

We bring together the right products, right partners and right process.
